**L. Colvin : Usborne World of Knowledge Encyclopedia (Usborne Encyclopedias)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Usborne World of Knowledge Encyclopedia (Usborne Encyclopedias):

0 of 0 people found the following review helpful. Lots of info. But binding is lousy.By GYLots of good info for our information-loving kiddo. But the bindings are flimsy and pages fall out after 2-3 readings of the book.0 of 0 people found the following review helpful. Five StarsBy Justine McNeillyBought this for my classroom and the children love it!1 of 1 people found the following review helpful. Usborne World of Knowledge EncyclopediaBy A CustomerRemarkable, there is so much information, you just don't know where to start. The detailed pictures help teach even the youngest of readers. A must for all families.

-- Highly illustrated first reference books-- Topics arranged thematically provide in-depth explanations using simple language-- Contains lots of practical experiments-- World of Knowledge Encyclopedia includes Geography, Living World and Science Encyclopedias with fully integrated reference sections and index-- World of Knowledge Encyclopedia also includes a beautifully designed printed cover and dust jacket that comes shrink-wrapped
