With the used boat market growing and becoming more complex, here is the book that used boat buyers have been waiting for. John Kretschmer's Used Boat Notebook has long been one of the most popular features in Sailing Magazine. Each month Kretschmer provides a hard hitting, detailed review of a well-known boat. From trailer sailers like the O'Day 23, to coastal cruisers like the Ericson 35, to blue water classics like the Valiant 40, the Used Boat Notebook covers a fascinating spectrum of boats. These thoroughly researched reviews include owner insights, a guide to common problems and suggestions on where to find parts, advice and support. Kretschmer's lively writing style and unique perspective is based on 200,000 miles of offshore sailing experience. In fact, Kretschmer has sailed thirty different boats at least 1,000 miles or more. Current market pricing and availability information along with an innovative 'value guide' help readers evaluate each of the forty boats profiled. In addition, ten great and affordable used boats to sail around the world' features quality boats that prospective world cruisers should seriously consider. The boats are selected for their seaworthiness and their value in the market place. You can find affordable boats for world cruising with the aid of this book. While there are plenty of good books that offer general information and what to look for in an offshore boat, this book focuses on the specifics.
