**Editors of Consumer Reports : Used Car Buying Guide 2004 (Consumer Reports Used Car Buying Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Used Car Buying Guide 2004 (Consumer Reports Used Car Buying Guide):

0 of 0 people found the following review helpful. Used Car Buying Guide 2004 (Consumer Reports Used Car Buying Guide)By Glenda RossbergI was thrilled when I received my copy of the 2004 Used Car Buying Guide. I needed to check the reliability of older vehicles. The information was great. The comparisons to other models and the importance of the pro's and con's of drastic model changes made by some manufacturers. It was a very hand tool and I recommend anyone purchasing and older vehicle to get a copy of the Consumer Reports Used Car Buying Guide that covers the year(s) you are interested in. Thanks.0 of 0 people found the following review helpful. Five StarsBy

dy44Great!!0 of 0 people found the following review helpful. Five StarsBy Andre Johngreat info - yesterday and now in case you looking for a used car

The 2004 edition of Used Car Buying Guide helps minimize risks by steering readers toward the better-performing, more reliable models and away from those with a troubled past or substandard performance. The first part of the book provides all the information needed before stepping onto a used-car lot: Step-by-step advice from selection to shopping strategies, vehicle inspection, negotiation techniques, and closing the deal. Details about all checks performances, and how to find a good mechanic. How to avoid a lemon: finding a reliable used car, including lists of the best and the worst. Safety information: key features to look for, how to interpret the crash tests, the Consumer Reports Safety Assessment, and more. How to shop for auto insurance. How to give an old car new life.

About the Author The auto experts at Consumer Reports have almost seventy years of experience in driving, testing and reporting on cars. Their work is based on the testing and expertise of the Consumer Reports Auto Test Division, located in East Haddam, Connecticut, which evaluates autos both on the test track and on public roads.
