before purchasing it in order to gage whether or not it would be worth my time, and all praised Used Tractor Price Guide 2004: 1939-2003 (Official Tractor Blue Book):

1 of 1 people found the following review helpful. Not really applicable to the real marketBy RobI think one would be better to go to Tractorhouse online to see what the real world prices are like. Tractors unlike cars and trucks are something that has to be graded by it's overall condition as hour meters are very unreliable and easily changed by unscrupulous dealers or individuals without a means of verifying them.0 of 0 people found the following review helpful. Four StarsBy hardset2000Great book for referral if you're looking to buy a new or used farm tractor....recommended0 of 0 people found the following review helpful. Five StarsBy John E Hollandreal good
