## Coupons Strategically To Save BIG: Save Where You Can So You Can Spend Where You Want!:

Wouldn't it be nice to cut your grocery budget in half, or even more? This book gives you a few simple strategies that show you how to save 50% to 70% on your weekly grocery bill and you don't have to spend a lot of time or settle for generic brands. Written by a single mom of five small children who cut the family's grocery bill from \$300 a week to \$300 a month and insists that the family eats better than they ever did!
