I've been really using LinkedIn for the past 6 months when I thought I might need another job since our government contract wasn't being renewed. The book has helped me to ferret out some of the more not obvious aspects.5 of 6 people found the following review

helpful. Great Guide Towards Taping into Real Technology Skills!By Melinda EmersonThis book is for any small business owner who wants to tap into the power of LinkedIn. What I like about this book is that you walk away with real technology skills. Using LinkedIn by Patrice-Ann Rutledge tells me what I need to know about leveraging LinkedIn to the max. This is also one of the first books I've seen that has step-by-step video tutorials, web links and audio sidebar interviews with experts that you can download to create a customized learning experience. My favorite chapters for entrepreneurs are: Communicating with Your LinkedIn Network, Saving Time with LinkedIn Tools, Advertising on LinkedIn.Melinda Emerson "Smallbizlady" Author Become Your Own Boss in 12 Months: A Month-by-Month Guide to a Business that Works1 of 2 people found the following review helpful.
