3 of 3 people found the following review helpful. Excellent textBy Iron DukeExcellent text at an intermediate level. Introduces contemporary language needed for basic conversations about activities of everyday life. Gives some background on Russian culture and history.2 of 2 people found the following review helpful. Excellent textbookBy rushinlurnerThis textbook is much more helpful than others of its type. It provides much more practical instruction relevant to a general audience, whereas so many other college textbooks are almost exclusively geared toward academic life.0 of 0 people found the following review helpful. Five StarsBy edward peaseThe videos add a lot. Very helpful.

This highly successful program assists in the development of all the language skills (listening, speaking, reading, and

writing) by presenting realistic settings, situations, and contexts. Perfect for use in an intermediate or advanced Russian course, V Puti offers conversational exercises, various readings (biographies, poems, literature and historical texts) and grammatical explanations and practice.
