A must-read for anyone serious about Wall StreetBy Harvard MBAThis career guide demystifies what is going on in that chaotic trading floor and is fun to read. Valuable interview tips and sample interview questions that are useful for undergraduates, MBAs and career switchers. Recommended by fellow students and faculty, and obviously written from an insiders' perspective, this book was worth every penny I paid!4 of 6 people found the following review helpful. The Best Career Guide in the FieldBy A CustomerThis guide is the best I've seen in the field of sales trading. The advice is extremely helpful to gain an insider's perspective. Plus, the

clear and witty writing style make it actually interesting to read. I have not seen many career guides as practical and enjoyable to read as this one. I highly recommend it with two thumbs up!

This guide includes step-by-step examples of how a trade is made on the trading floor, and Q As with industry professionals of all levels.
