**Vault Editors : Vault Case Interview Practice Guide 2: More Case Interviews** before purchasing it in order to gage whether or not it would be worth my time, and all praised Vault Case Interview Practice Guide 2: More Case Interviews:

2 of 3 people found the following review helpful. Not very usefulBy FonsThis guide is not very useful. The cases are simple, but there is not much in regard of feedback possible with this book. Case in Point is a much better alternative. The vault guide just show examples, no methods.

Consulting job seekers prepare for their case and consulting interviews with the best-selling Vault Guide to the Case Interview. The Guide provides the skinny on business frameworks, sample cases, guesstimates, brainteasers, and more! The Guide includes more than 50 actual case interviews, guesstimates, brainteasers, and other consulting interview cases. It also covers important frameworks including Porter's Five Forces, the capital asset pricing model (CAPM), the BCG Matrix, the four Ps, and the four Cs.
