4 of 7 people found the following review helpful. A brilliant guide to the modern interview and resumeBy A CustomerI began as a beginner in writing papers, and conducting interviews. Then, I picked up Dr. Leifman's guide and it explained clearly and interestingly every aspect of the interview. Far from being a boring overview of the subject, Leifman's guide is clearly five-star material. I read this book, and afterwards was able to perform the well-explained tasks with ease and finesse. Dr. Leifman is a knowlegable expert on the subject. I particularly enjoyed his

description of the resume, and I believe firmly that, having read his guide, my resume is as good as it possibly could be. Thanks to his impeccable intelligence and sharp wit, I consider myself to be an expert on the covered material. I recommend it to everyone who would ever like to write a resume, cover letter, or interview with style, and, most importantly, success. Thank you, Dr. Leifman!

From writing top-notch resumes and sending tailored cover letters to going on winning interviews, this best-selling Vault guide is a comprehensive one-volume job search source.
