Naomi Newman : Vault Guide to the Top 50 Management and Strategy Consulting Firms (Vault Guide to the Top 50 Management Strategy Consulting Firms) before purchasing it in order to gage whether or not it would be worth my time, and all praised Vault Guide to the Top 50 Management and Strategy Consulting Firms (Vault Guide to the Top 50 Management Strategy Consulting Firms):

0 of 5 people found the following review helpful. Great book, but disappointing serviceBy AuroreI ordered this book from and I think this is a great purchase for anyone interested in consulting firms. However, I have to say that I am really disappointed by regarding the service for this order. Indeed, I received the book in a fairly poor state, with the

cover already spoiled and damaged as if someone already used it. I know sometimes the transportation is responsible for this, but the two other books I received in the same package were absolutely fine, not damaged at all. To make it clear, great book, poor service...(this never happened before though) 1 of 1 people found the following review helpful. Very detailed guide to consulting firms. By M.B. I enjoyed this product. It has a very detailed information about consulting firms. It has different rankings on different aspects of consulting business. Although the information given may not be correct for organizations outside of US, it's very helpful to choose between consulting firms. I recommend it to anyone who is interested in consulting business but do not know which company to join.

The only annually updated insider's guide to consulting firms, The Vault Guide to the Top 50 Consulting Firms, now in its 11th edition, is an unbiased, investigative look at the top management and strategy consulting firms. Based on interviews and surveys of more than 1,500 consultants, the guide provides the inside scoop on recent firm news, firm culture, pay, diversity initiatives, hiring process and more at more than 50 top firms. The guide includes Vault's exclusive rankings of the top 50 consulting firms.
