Sujay Kansagra : Vault Insider Guide to Medical School Admissions (Vault Career Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Vault Insider Guide to Medical School Admissions (Vault Career Library):

0 of 0 people found the following review helpful. Mitch RodriguezBy Mitch RodriguezGreat book! Very informative

and educational. It give an in depth look at what the medical school admissions process is really like. I would recommend it to anyone who is on the road to medical school. Another great book by Sujay Kansagra is titled "Everything I Learned In Medical School: Besides All The Book Stuff", it's an amazing book that scripts the life of Dr. Kansagra through his med school days at Duke University. BUY BOTH BOOKS!

Over seventy members of the Duke Medical School Class of 2006 have collaborated to detail the successful premed process from choosing an undergraduate major and carrying out research to taking the MCAT, to choosing a school, applying, interviewing, taking time off, the MSTP program and more.
