Remarkably effective aid for your ESL students By Max Lubach This second workbook is slightly more challenging than the first Basic one, and very helpful. I have seen a major improvement in my student's writing and deciphering of visual clues. It is a mistake to think that people from other cultures understand all the little details of daily life here that we take for granted. Students enjoy using this book

because each page is a bit of a puzzle they must solve. The learning that takes place is rewarding and entertaining for them. In my case, I don't need the CD and would like to be able to buy the book without it at a lower price. 0 of 0 people found the following review helpful. I find the units too long on Grammar (which is ...By Suzan Ormandy I find the units too long on Grammar (which is 'presented' in a confusing 'order and very short on Listening opportunities or meaningful, structured oral practices. More importantly NONE OF THE WORKBOOK CD's PLAY on players/boomboxes, regardless of whether bought at college bookstore or Online. (It is possible to play workbook CDs in computers.) This includes mine. I think the publisher should return a % of the amount students purchased the books for. Very disappointing and unfair. 0 of 0 people found the following review helpful. I love the Ventures series and online website which students and ...By Kay SI I love the Ventures series and online website which students and teachers can use for further work and suggestions. It has a very balanced approach to speaking, reading, writing, conversation, grammar and the teacher's book has suggestions for activities. I was allowed to choose the textbooks for my church based ESL program, and I chose the Ventures series.
