Lewis Baratz : Vgm's Guide to Temporary Employment: A Practical Handbook for the Best Jobs (Careers Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Vgm's Guide to Temporary Employment: A Practical Handbook for the Best Jobs (Careers Series):

Temping is the new alternative employment track for today's ambitious career changers and the fastest-growing section of the workforce. It lets young professionals explore their industries of choice, keep their options open -- and earn a respectable income....In a field with so much potential, you need a guide that really tells it like it is. This expert author takes you behind the scenes to show you every aspect of this dynamic industry, from picking an agency, to negotiating benefits, planning a budget to selecting assignments.
