The recipes have the feel of tried-and-true, and because the book is hand-written, they seem to have come from a good friend. I particularly love the glimpse life on Martha's Vineyard that Susan shares. 0 of 0 people found the following review helpful. Wonderful, sweet recipes memories! By Alta I began falling in love with Susan Branch's book last fall when I was recovering from major back surgery. They're wonderful, simple, beautifully written amazing original artwork. Whether it's one of her stories or cookbooks, they're so sweet and thoughtful. 1 of 1 people found the following review helpful. ... published for many years yet the recipes are still wonderful and the watercolors lovely and skillfully done By Tamyra Crossley This book has been published for many years yet the recipes are still wonderful and the watercolors lovely and skillfully done.

You will feel like you are among friends sharing special memories together.

Enchanting watercolors complement a wealth of recipes and homespun wisdom emphasizing the use of fresh foods and simple preparation to yield taste treats for all seasons.
