James Monaco, Baseline : Virgin International Encyclopedia of Film before purchasing it in order to gage whether or not it would be worth my time, and all praised Virgin International Encyclopedia of Film:

This encyclopaedia covers the careers of over 3000 actors, directors, writers and producers. Classic names from the 1920s and 1930s receive full coverage, but the main emphasis of the book is on the post-war period, including the emerging generation of film-makers in the 1980s and 1990s.
