Pricing to generalizedBy Charlotte CostelloMany of the Hummels listed were given a very broad price range...Since TMK 1 through TMK 7 of the same humme is of a different value I would like to see each TMK mark valued individually....not lumped in one category (example) Hum 175 Mothers Darling TMK 1-7 \$145.00 - \$480.00 That does not tell me the value of a TMK 4 or a TMK 5 This book is too generalized...I would never buy this book again nor would I recommend it to my friends...0 of 0 people found the following review helpful. Hummel field guideBy Jim1048The product pricing is too general for the value of Hummels. They givethe same price on items whether they are 50 years old or justtwo or three. I would

suggest the "Miller price guide to M.I. Hummel" figurines for accurate pricing.
