Robin Baumgartner, Dana Baumgartner : Warman's Zippo Lighters Field Guide: Values And Identification (Warman's Field Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Warman's Zippo Lighters Field Guide: Values And Identification (Warman's Field Guide):

2 of 2 people found the following review helpful. great companion guideBy T. GrahamThis book makes a great companion guide. Fair amount of general background information, quite a few pictures (with approximate valuations), and of course the necessary charts to identify the marks and identification of Zippos throughout the years. While not all-inclusive of all things Zippo, it makes a handy, compact guide that is easy to carry if one chose to take it to swap meets, auctions, and the like in the pursuit of a Zippo purchase. Other books exist that carry a lot more background and history of the Zippo company, it's founder, and products, but this one, as stated earlier, is a good companion piece. Recommended as a supplement or even a beginning book for the novice collector or the curious.0 of 0 people found the following review helpful. Five StarsBy Wess-stuffVery helpful in identifying vintage and newer lighters.0 of 0 people found the following review helpful. Five StarsBy Steveneverything you wanted to know about zippos

Like Elvis, James Dean and Levis 501 jeans, Zippo lighters defined the meaning of cool for several generations. For readers familiar with the signature "click," the world's most dependable lighter is more than a tool for smoking. It's become one of the hottest collectibles in the world today. This pocket-sized guide to the most dependable little lighter includes: vintage Zippo advertisements sure to bring back memories of day gone by; current market prices and identification codes to help collectors inventory their collection; and, more than 400 colour photos that illustrate the character of each lighter. This new addition to the wildly popular Warman's family of field guides is sure to be a hit with all generations of Zippo fans.

About the Author Robin and Dana Baumgartener are leaders within the national Zippo Collectors Club, and owners of more than 600 lighters.
