John R Rader : Warwick China (Schiffer Book for Collectors with Price Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Warwick China (Schiffer Book for Collectors with Price Guide):

1 of 1 people found the following review helpful. I Love this BookBy Cheshire CatAs much as a source book for collectors it tells a wonderful story of the company from beginning to end. A pleasure to read! I couldn't put it down. I ran across a piece of Warwick China and wanted to know more about it as well as collect it. This issue isn't up to date relative to today's prices but is a handy guide when out and about. It is now well worn and with me when I on the hunt.2 of 2 people found the following review helpful. Much needed..By E. TaylorMuch needed look at Warwick China Company but doesn't always have the information I'm looking for such as the date certain patterns were introduced and discontinued. Desparately needs an index.1 of 2 people found the following review helpful. Wonderful book!By barbaraI needed this book to replace the one that I lost. It arrived on time. Is great for reference. Thanks.

Warwick China Company has produced some of the most unique and exciting collectible objects found on the market today. For years, collectors have searched for their favorite pieces, and can now delight in this new guide written just for them. Filled with interesting facts and over 300 beautiful color photos of vases, tankard sets, dinnerware and more, this book gives insight into the operations and achievements at Warwick, located in Wheeling, West Virginia. Humorous stories and experiences of former employees are retold by the author, making this an enjoyable and unique reference work. The complete price guide is easy to use and aids the reader and collector in accurately pricing his or her own special finds. Based on first-hand knowledge, this book is an excellent source of information and provides valuable insight into the history of the Warwick China Company.

About the Author John Rader, Sr. was born into a pottery family in Wheeling, West Virginia. His passion is Warwick China; he has extensive knowledge of the field.
