Manufacturers News, Inc. : Washington Manufacturers Directory 2016 before purchasing it in order to gage whether or not it would be worth my time, and all praised Washington Manufacturers Directory 2016:

Looking to identify and contact Washington manufacturers and their decision makers? The 2016 Washington

Manufacturers Directory profiles 7,077 businesses and 20,875 executives by name title. Each Washington company profile contains up to thirty detailed facts. The Washington Manufacturers Directory is published each March and has 720 pages.
