Wave Crest: The Glass of C.F. MonroeBy Inez J. AustinI bought the book because I am doing research on the glass that Monroe made. The book was interesting and informative. It was a good choice.

Decorated opal ware was at the height of its popularity from 1880 to 1910 and the C.F. Monroe Company was one of the largest producers of this type of glass. This book features the beautiful Wave Crest line, Nakara and Kelva Glassware and provides insight into the career of C.F. Monroe.
