Merriam-Webster : Webster's American English Dictionary/Webster's American English Thesaurus Set before purchasing it in order to gauge whether or not it would be worth my time, and all praised Webster's American English Dictionary/Webster's American English Thesaurus Set:

0 of 1 people found the following review helpful. Good for starting a fire By Ed EI had no idea this set was going to be so bad. I should have known because of its price. I rarely return things unless they cost real money, so I just gave these to the library. There should be age guides on reference books like they have on toys. This set would have been 'For

ages 5 thru 7.0 of 2 people found the following review helpful. lousyBy OmimoniUnfortunately the recipient didn't get the book as he is an inmate of the death row in Texas and therefore not allowed to receive anything with a signature on it. Apparently even if I especially ordered over to avoid that the seller didn't know it and put his signature on the package. So very frustrating as my friend was so much looking forward to get this dictionary.

Language Basics in a Two-Book set This two volume shrink-wrapped set offers up-to-date information, presented in clear, concise language. It is a portable, affordable reference and is ideal for use at home, at school, and in the office. Webster's American English Dictionary - over 40,000 clear, concise definitions. Webster's American English Thesaurus - 85,000 words, is arranged alphabetically. A comprehensive, easy-to-use reference resource at a great price.

About the AuthorThe editors of Merriam-Webster have been creating dictionaries and other language reference works to the highest standards of quality and reliability since 1847.
