I have had my copy for quite awhile, so this is the 4th job it's been to. ( and my lasy by the way, lol) I do love this book!0 of 0 people found the following review helpful. Webster's Dictionary and Thesaurus Deluxe EditionBy proferThis is perfect. The reason I ordered it was because as I am getting older, my eyesight isn't what it used to be. The words are not extra large print, but exactly the right size print for me to be able to read easily.
