Five Stars By Steven I smith Everyone should have one in the house. 2 of 3 people found the following review helpful. great dictionary, great price By ptl4now This is a big honking dictionary, and has lots of words missing from other dictionaries. Since I got it for a steal of a price, ten bucks, i though it was mistake, and they were gonna slip me a different book, but nope, this this is what I got, and it blows my sisters scrabble dictionary out of the water!!! (I mainly use this for playing boggle, nothing too brainy or technical!) 0
