From Random House : Webster's Encyclopedic Unabridged Dictionary of the English Language before purchasing it in order to gauge whether or not it would be worth my time, and all praised Webster's Encyclopedic Unabridged Dictionary of the English Language:

0 of 0 people found the following review helpful. The Last Dictionary You'll Ever Need. By Stuart Slaymaker My sign to visitors, that I am an educated, cultured person. Holds a place of honor on my computer desk. 0 of 0 people found the following review helpful. I highly recommend a copy of this book (see also By Gary Martz To all my English speaking Friends (who assume they can define the simple 3 letter word, "run"), I highly recommend a copy of this book (see also, page 1109). Thank you very much. Jesus Loves You! Go prayerfully and have a Blessed day... Love YAH, Gary "Calm Fury" Martz 1 of 1 people found the following review helpful. GLAD TO FIND IT By Randall F. Having bought this book about 15 years ago, I had to replace it recently when a water leak in my home damaged it beyond use. Not finding it in local bookstores, I was delighted to be able to obtain it through . It has a most generous number of entries without being inconveniently large and voluminous.
