From Brand: Federal Street Pr : Webster's New Explorer Thesaurus before purchasing it in order to gage whether or not it would be worth my time, and all praised Webster's New Explorer Thesaurus:

Whether the writing job at hand is for business, school, or personal communication, the Webster's New Explorer Thesaurus is the reference resource to use to find the best words to clearly express thoughts and ideas. Based on Webster's Third New International Dictionary, this up-to-date, easy-to-use writing tool is a must for every bookshelf.
