**Editors of Webster's New World Dictionaries : Webster's New Pocket Dictionary** before purchasing it in order to gage whether or not it would be worth my time, and all praised Webster's New Pocket Dictionary:

0 of 0 people found the following review helpful. Good concise choiceBy lisamarchSo happy to find a dictionary that's

just enough for my high school son. One thorough definition rather than multiple definitions for each word.0 of 0 people found the following review helpful. This dictionary is VERY smallBy Holly's MomI got these for my 6th grade classroom, but they are way too small to be useful. Although the content seems good, the print is tiny, and the books themselves are barely larger than my cell phone. Just not practical for classroom use.0 of 0 people found the following review helpful. Easy to keep up withBy doritha e ashPocket size and my daughter still has it. Easy to keep up with!! Love it!
