Noah Webster : Webster's new twentieth century dictionary of the English language: Being the unabridged dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised Webster's new twentieth century dictionary of the English language: Being the unabridged dictionary:

This dictionary is a complete revision of Webster's Imperial Dictionary, a book based upon the original work of Noah Webster. It has been published for the purpose of placing a complete and authoritative unabridged dictionary within the reach of the ordinary buyer.
