The Editors of the Webster's New World Dictionaries : Webster's New World College Dictionary, Indexed Fourth Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Webster's New World College Dictionary, Indexed Fourth Edition:

2 of 2 people found the following review helpful. This is an excellent dictionary in its own right By Matthew G. Zatkalik Note the '(Book with CD-ROM)' that is the reason for five stars. This is an excellent dictionary in its own right. But, getting up to get it off the shelf has caused me to not use it several times. And, it is a heavy tome: weight and contents. So, presto, now it is on my toolbar - one click away. And now I enjoy being able to access its content. A great marketing feature - a great incentive to purchase this item. 0 of 0 people found the following review helpful. WAHJ By Walt concerned Love this dictionary. Excellent, Excellent service. I ordered this book and got it three days later. You just cannot beat that kind of service. That's awesome and that's the way to run a business and satisfy

customers. You'll get 100% from me. Thank you. 0 of 0 people found the following review helpful. A Great Older Edition By ddbsoln's I got a very nice copy with the included disk. This fourth edition is better than advertised. It looks like new, but a few (very few) pages have wrinkles that look like they happened when it was published. Also, the copy I got has a thumb index, which was a nice surprise. It was exactly what I wanted. There are pictures, tables, and a lot more. The print is a little small, and the dictionary is little thick. Over 1700 pages. One reviewer said the older editions were better, and that was another reason why I ordered this one. The shipment arrived in a short time, and the packaging protected the book. Good price too.

Ten years of lexicographic research culminates to form the latest edition of the renowned Webster's New World College Dictionary. This fourth edition combines the most up-to-date information about our language and our world to present a completely revised, updated and expanded edition for this age of instant global communication. This authoritative reference now includes 5,000 new entries and the only four-color atlas offered by a dictionary of this size. New words, new Americanisms, and new biographical and geographical entries are fully integrated into the single alphabetical listing. Thousands of new uses and meanings have been added to many existing entries. The expanded reference section provides easy access to geographical, historical, and other encyclopedic information. Unsurpassed for nearly half a century for its reliability, clarity, and precision, Webster's New World College Dictionary provides the most accurate and current information available anywhere. Millions of users worldwide value this unique combination of features, found in no other dictionary: * clear, readable definitions that provide instant understanding * thousands of examples of current word usage * more than 160,000 entries and over 800 illustrations, biographical photographs, and maps * page and text redesigned for even greater readability * the official dictionary of the Associated Press

.com Is "legislator" pronounced with an "er" sound at the end or an "or"? Is the Jewish festival of lights spelled "Chanukah," "Hanuka," or "Hanukkah"? With Webster's New World College Dictionary, which promises to describe rather than prescribe, you can take your pick. The dictionary includes more than 150,000 entries, including brief biographical and geographical notes and useful drawings and diagrams (depictions of four kinds of buoys, for example). The guide to pronunciation and symbols is given on every other page, handy for those who don't like to refer to the inside cover each time they forget how to pronounce the sound of the schwa (of course, the guides on the inside and front covers are more extensive). Starred words refer to Americanisms, which number more than 11,000, such as "hornswoggle" and "Hopi" and "kitchenette." The definitions themselves are clear and simple and seldom have you scurrying to another page for a definition of the definition. Easy to use and understand, Webster's New World College Dictionary is a fine addition to any high school or college student's desk set. --Rebecca A. Staffel "This is, it goes without saying, a majestic publication." --Philip Howard (Wall Street Journal, August 23, 2005)
