**Auriel Douglas : Webster's New World Dictionary of Eponyms: Common Words from Proper Names** before purchasing it in order to gage whether or not it would be worth my time, and all praised Webster's New World Dictionary of Eponyms: Common Words from Proper Names:

The origins of 800 common words derived from the names of uncommon people. Each entry includes the eponym, a biographical sketch of the perrson from whom it was derived, and an account of its origin, as well as the definition and current usage.
