**The Editors of the Webster's New World Dictionaries : Webster's New World Large Print Dictionary** before purchasing it in order to gage whether or not it would be worth my time, and all praised Webster's New World Large Print Dictionary:

8 of 8 people found the following review helpful. Not for bookwormsBy jnsI did not do my homework on this purchase. This dictionary contains 60,000 entries, which sounds like a lot, but any serious reader will require at least twice that. However, for general use by light readers with poor eyesight it is a good purchase.The large font is a pleasure and the book is well made. It does not have alphabetic page tabs.2 of 2 people found the following review helpful. Good but not without its flaws.By The Black AleNice dictionary for desk use which is what it is intended for, The pages look clean and sturdy and not like the cheaper frail paper that is used in most pocket books. I do however don't like some of the organization of some of the content itself. There could have been much better way to organize abbreviations on a list for the letters or maybe towards the begging. Also the word pronunciations seem inaccurate for

some and the other conjugations for the word could have been included in a less messy and unorganized way. 1 of 1 people found the following review helpful. Very nice book. But we noticed upon looking up a ...By LynneVery nice book. But we noticed upon looking up a few words that they were not included in the dictionary. Am guessing that maybe because this book is in large print that they left out some words so the book would be at a more usable size and thickness.

No more struggling with the fine print, thanks to the Webster's New World Large Print Dictionary, which has all the outstanding features of other Webster's New World dictionaries. \* More than 60,000 entries, including all the vocabulary needed for everyday use \* Technical, scientific, cultural, business, and professional terms \* Clear, highly readable type \* Foreign words and phrases often used in English \* Biographical and geographical entries conveniently included in the main A--Z section \* Etymologies - word histories that add depth and historical context to the understanding of a word \* Appendix with weights and measures, U.S. and Canadian data, U.S. presidents, and books of the Bible With all this information presented in highly readable type, this is the one large print dictionary that you can't afford to be without.
