The Editors of the Webster's New World Dictionaries : Webster's New World Portable Large Print Dictionary, Second Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Webster's New World Portable Large Print Dictionary, Second Edition:

3 of 3 people found the following review helpful. I don't use word correct on my pc and this ...By Hemp AngleI don't

use word correct on my pc and this one works but i really need to get a more modern one because this one has a lot of words that just aren't there. A lot of folks have forgotten how to use one of these. 4 of 4 people found the following review helpful. Good for Students; Great for Elderly/Visual Impaired! By V. Fletcher I bought this dictionary for my son to keep in his desk at school. Even though he does not need glasses, I bought the large print edition so that he would not have to strain at all. We purchased Webster's Student Dictionary and this portable one, and the portable one is actually thicker than the student edition. It is a bit narrower and it has a soft cover (the other has a hard cover). Between the two, I would definitely choose the student edition because it has synonyms, however, this is a really good dictionary. I took off one star because it is not portable...unless you carry your bookcase on your back :-). Certainly a great choice for anyone who does not want to strain his or her eyes when using. 1 of 1 people found the following review helpful. I would recommend going to the local book store and purchasing one ... By Rosa Albor It is odd to review a dictionary as they tend to be obsolete in today's age of being able to search the world wide web for anything or even simply asking Siri. If I had a Siri when I was in high school I could've graduated with honors. I purchased this dictionary as it was mandatory for a class. I must say if you are doing the same thing, I would recommend going to the local book store and purchasing one there. The words portable are deceptive as this is a large book and does not easily fit in a purse.

This large print book carries the seal of approval of N.A.V.H.
