**Robert McConnell Productions : Webster's New World Robert's Rules of Order Simplified and Applied, 2nd Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Webster's New World Robert's Rules of Order Simplified and Applied, 2nd Edition:

When my other copy and edition failed me, this edition was always useful. The index in the back makes it very easy to find exactly what point of order you are looking for. Also, the book gives real life, present day examples. I highly recommend this version of an old standby. 8 of 8 people found the following review helpful. Essential reading material! By Seoulqwen I accepted a position as Board Administrator for a charity organization overseas. Prior to that, I had heard about Robert's Rules of Order, but had never used the book as a reference. In my time as a Board Administrator, I referred to this book often for a proposed amendment to our Constitution and By-Laws, procedures for notifying members of the Annual General Meeting, and to clarify the motion-making procedure for Board members. Robert McConnell Productions uses sample scripts to give readers can get a sense for how to conduct a board meeting (Chapter 2, "A Business Meeting in Action"), how to debate a motion (Chapter 4, "Rules of Debate"), and how to vote (Chapter 5, "Ways the Vote Can be Taken"). I passed my copy to the next Board Administrator and just ordered a new copy for myself. Board members have a significant advantage in Board negotiations if they are intimately familiar with RRO. 0 of 0 people found the following review helpful. Very easy to understand By Kindle Customer This version is very easy to understand and use! Highly recommend it for anyone trying to get beyond the legal terminology that doesn't have to be there in the first place.

This is the clearest, most useful guide to parliamentary procedure, now with new information on effective and reliable procedures for nominations, elections, ballots, balloting, and ballot counting.

From the Back Cover Comprehensive... Authoritative... and User-friendly! Parliamentary procedure in plain English Now updated and expanded, this essential resource explains the rules of parliamentary procedure in clear, simple language and shows you how to apply them in a practical, effective way. Organized and cross-referenced so you can find what you need quickly and easily, it includes: \* Clear discussions of the concepts behind each rule that give you a firm foundation \* Down-to-earth examples that show you how to apply the rules to your own situation \* Real-world "scripts" that remove guesswork about what you should say \* Detailed examples of agendas and minutes to help you organize and record your meetings \* Step-by-step strategies for taking - or blocking - action \* Timesaving tips to make your meetings more efficient This revised edition includes new information on proper procedures for conducting meetings online, voting by mail and by e-mail, and adopting election procedures to help your organization prevent ballot fiascos.
