**Editor : Webster's New Worldo Pocket Desk Set** before purchasing it in order to gage whether or not it would be worth my time, and all praised Webster's New Worldo Pocket Desk Set:

Webster's New World brings together the core of its best-selling vinyl Pocket reference series into one convenient desk set. The set contains the Pocket Dictionary, the Pocket Thesaurus, and the Pocket Style Guide. All are new or recently revised and expanded editions. Webster's New World "TM" Pocket Dictionary includes 33,000 entries, pronunciation guidelines, rules for spelling, and handy reference tables. Webster's New World "TM" Pocket Thesaurus includes thousands of synonyms and antonyms in an easy to use alphabetical order. Webster's New World "TM" Pocket Style Guide includes the rules you need on grammar and punctuation, the advice you want on style and word usage, and much more. The sturdy and attractive slipcase keeps these individual components of the Webster's New World Pocket Desk Set together in one convenient location. This 3-book desk set is a great gift item for students, graduates, writers and business professionals.

.com Containing a pocket-sized dictionary, style guide, and thesaurus, the Pocket Desk Set offers superb--and totable--scholastic and business support. Bound in sturdy plastic to withstand the rigors of backpack travel, the set weighs just 13 ounces total--little more than 4 ounces per book. Even the most laden of students can slip a dictionary or style guide into pocket, purse, or pack without unduly adding to the burden. And the rewards are plentiful (or lavish, liberal, and prolific, as the thesaurus suggests). With thousands of entries each, the dictionary and thesaurus are sophisticated lexicographic tools, while the style guide takes the fear and complexity out of punctuation and grammar. --Stephanie Gold
