Very easy to use and being able to use his hands ...By MD1985We bought this for our 7 year old during the summer to help him with some summer school work. Very easy to use and being able to use his hands and eyes to search for the words alphabetically seems like a better experience than using the thesaurus.com to search for words.1 of 1 people found the following review helpful. Just right!By D. BurlenThis is what my child uses at school. Handy to have one at home too. Very nice condition. Thanks!0 of 0 people found the following review helpful. Five StarsBy Karen BufordThe product arrived exactly how it was described.

For students grades 9-11, ages 14 up. Over 157,000 synonyms, antonyms, idiomatic phrases, and related and contrasted words. Concise definitions and usage examples for each main entry aid word selection describe shared meanings.
