SimonsI am a writer who often needs a thesaurus doesn't like to carry a bunch of books with me. This is the EBook thesaurus to have. It works great on my Kindle Fire. Open the book, touch the screen bottom to bring up the magnifying glass symbol, touch it, type in the word you need synonyms or antonyms for, hit GO. The SEARCH feature will begin to pull up all of the locations where your word is found. I usually hit the first one to find what I need. Well worth the price.0 of 0 people found the following review helpful. Useful tool for any writer.By Phil PowellAdded to my Kindle it makes a great quick reference tool.0 of 0 people found the following review helpful. Five StarsBy DGI keep one by my desk always.

An accessible and comprehensive 'word-finder' that helps you to locate words that have similar meanings (synonyms). Synonyms help make your writing interesting and varied. Geddes and Grosset's Webster's Word Power English Thesaurus is a new edition of the GG bestselling Concise English Thesaurus. This book is fully revised with a both antonyms and synonyms.
