Editors of Webster's New World College Dictionaries : Webster's New World Concise Dictionary and Thesaurus before purchasing it in order to gauge whether or not it would be worth my time, and all praised Webster's New World Concise Dictionary and Thesaurus:

3 of 3 people found the following review helpful. Excellent every day reference book By Vicki on the Oregon Coast This is a perfect little dictionary to have next to the computer, and I especially like the Thesaurus feature. The volume is small and light weight but still easy to read 0 of 0 people found the following review helpful. Five Stars By

Mike exactly what my granddaughter's teacher required 0 of 0 people found the following review helpful. EASY TO USE AND FOLLOW By Chiquita T. Vocabulary was a little limited for my use with my students but it was nice to see students using it to improve their vocabulary. Easy to use and follow.

Combining in a single volume an up-to-date dictionary and a thesaurus, this book offers readers a convenient way to examine dictionary entries and research corresponding synonyms at the same time. The split-page design displays full dictionary entries on the upper portion of each page and full thesaurus entries on the bottom portion, which makes finding and understanding the right word easier than ever. The synonyms are alphabetically arranged on each page to correlate with the dictionary entries on the same page. With its unique format and user-friendly features (including pronunciations, etymologies, and usage guidance), Webster's New World Concise Dictionary and Thesaurus is a convenient and invaluable resource on words.
