It's also nice that there is some material is about life in ...By Customer Interesting subject matter that clearly depicts life, culture and attitude of Germany. It's also nice that there is some material is about life in other German-speaking countries (Austria and Switzerland). 0 of 0 people found the following review helpful. Modern Take on Learning a Language By DTA modern take on learning a new language. I really appreciate the audio and video included to help immerse you in the language and learn the accents. There are

still some bugs and typos on the iLrn and I wish access was unlimited rather than only two years, but two years is pretty reasonable. A fun textbook overall. 0 of 0 people found the following review helpful. So good

I love the hard cover its so good

Based on authentic input and set around 12 German-speaking people from various German-speaking countries, WELTEN focuses on the gradual development of language skills through the use of texts, videos, and media that's used in everyday German communication. WELTEN guides language learners to reflect on the worlds of others as well as their own, instantly engaging students with characters and content that is real, current and meaningful, and providing learners with a better understanding of German culture and language in all parts of the world. Through authentic input, diverse cultural content, and clear grammatical explanations, WELTEN brings a new approach to introductory German.
