**Stephen W. Cogar : West Virginia Law Enforcement Field Guide, 15th Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised West Virginia Law Enforcement Field Guide, 15th Edition:

The West Virginia Law Enforcement Field Book features a comprehensive collection of law enforcement procedures and checklists. Written by Stephen Cogar in conjunction with police officers across the state, this publication features concise, practical advice for law enforcement professionals on handling detection, arrest, interrogation, investigation, and successful trial presentation. This Field Guide also features extensive works on civil liability and police

misconduct risk management.
