Lorraine Kovar : Westmoreland Glass the Popular Years 1940-1985 (Identification Value Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Westmoreland Glass the Popular Years 1940-1985 (Identification Value Guide):

2 of 2 people found the following review helpful. Unsigned Pieces IdentifiedBy Sandy CarrollAlthough attractive enough, this is not just a pretty book for the coffee table, but a good resource addition to a working library. This book really came in handy for me by identifying several unsigned pieces. I was able to find the exact pieces in the book and read about their history. The book has photographs of various patterns and colors, brief information on each pattern, and a list of all pieces made in that pattern and estimated prices. I use the book for research and recommend it for

you.1 of 1 people found the following review helpful. Thorough and Complete Pattern GuideBy Gail CurleyFor the collector of Westmoreland Glass I found this book to be excellent in identification for patterns, colors, values, and dates of manufacture. I use it frequently and have never had it fail me. I highly recommend it.0 of 0 people found the following review helpful. I would recommend this book to anyoneBy Lynn HardyVery helpful book. I would recommend this book to anyone.

With all-new, never-before-seen photographs and catalog pages, Kovar covers many patterns in this volume, including Paneled Grape, Old Quilt, Princes Feather, Sawtooth, American Hobnail, and English Hobnail. All colors, decorations that were hand painted, and decals are represented in the most complete manner possible. The book incorporates new information from the J. Stanley Brothers files that list many of the Westmoreland glass patterns. Information is presented on markings, reproductions, and reissues. 2006 values.

This book features pieces from the company from the years 1940 through 1985, the most popular years of the company's existence. The author has utilized the same coding system used in her previous publications to make things easier for readers.About the AuthorLorraine Kovar is a noted expert in the field of Westmoreland Glass, and has authored four different volumes on the subject. Her coding system has been adopted by dealers across the country, and her books are essential for collectors.
